

CAMPUS INFRASTRUCTURE

East Delhi Public School offers a modern, safe, and vibrant campus thoughtfully designed to nurture young minds at every stage of learning. The campus is divided into two well-structured blocks catering to the Pre-Primary, Primary, Middle, and Senior Wings, with age-appropriate facilities and a student-friendly environment.

The school features Smart Class enabled classrooms, advanced Science and Computer Labs, a well-stocked Library, activity rooms, sports facilities, purified RO drinking water, and uninterrupted power backup to ensure a seamless learning experience.

Student safety remains our highest priority. The entire campus is equipped with CCTV surveillance, firefighting systems, emergency staircases, and hygienic utility areas, creating a secure and disciplined atmosphere for holistic growth and excellence.
